

## VIVO PAINTING PTY LTD

### Capability Statement: Commercial & Industrial Finishing Specialists

**Company Overview** Vivo Painting is a specialist Victorian painting contractor providing integrated surface coating solutions for the commercial, industrial, and high-volume residential sectors. We provide project managers and developers with a reliable, scalable workforce (15+ qualified trades) capable of delivering precision finishes under strict program timelines.

Our leadership team brings over 16 years of collective industry expertise, ensuring that every project meets Australian standards for quality and safety.

---

### Core Competencies

- **Commercial Fit-outs:** High-spec office interiors, clinical environments, and retail spaces.
- **Industrial Coatings:** Specialized epoxy flooring, protective steel coatings, and warehouse restorations.
- **Strata & Remedial:** Large-scale external maintenance and protective coatings for high-rise and multi-residential assets.
- **Architectural Finishes:** High-end architectural coatings requiring precision execution.

---

### The Vivo Advantage

- **Scalable Workforce:** A team of 10–15 experienced painters allows us to rapidly resource and deliver large-scale projects without compromising on quality.
- **Compliance & Safety:** 100% commitment to SWA (Safe Work Australia) standards and comprehensive insurance coverage.
- **Operational Reach:** Full statewide coverage across Greater Melbourne and Regional Victoria.
- **Zero Downtime Execution:** Proven methodology for working in live commercial environments with minimal disruption to business operations.

## Project Portfolio Categories

1. **Industrial & Logistics:** High-volume epoxy floor treatments and protective coatings.
2. **Commercial & Healthcare:** Specialized interiors for office hubs and clinical facilities.
3. **Modern Residential:** Premium multi-unit developments and architectural maintenance.
4. **Specialized Surface Treatments:** Advanced decorative and protective surface applications.
